Graduating with Honors, Dean's List. Courses in human factors, interface design, electronic prototyping, product design, user research, graphic design.

Experience Contio

March 2026 - Present

Design Intern

Designed a comprehensive brand identity and style guide for an AI meeting platform. Developed a scalable design system and high-fidelity layouts tailored for executive-level users. Orchestrated strategic onboarding workflows and communication sequences to drive platform activation and user adoption.

FINRA x SCADpro

Jan 2026 - March 2026

UX Design Lead

Redesigned the digital ecosystem navigation for FINRA to support their users. Developed role-based concepts and intuitive workflows to unify disparate platforms into a cohesive user experience. Streamlined complex navigation patterns to improve system-wide efficiency and cross-platform usability.

SCAD Tennis

September 2022 - May 2025

Graphic Designer

Directed visual identity for SCAD Tennis, producing high-impact gameday graphics, scores, and athlete accolades. Captured on-site photography to enhance storytelling and content quality across digital platforms. Scaled engagement by over 1,000% in views and interactions through a modernized social media strategy.

SBE

Nov 2022 - March 2024

Graphic Designer

Developed high-volume sports graphics for SBE across accounts totaling over 500,000 followers. Produced real-time results and athlete stats to drive consistent audience engagement. Maintained a cohesive visual identity across multiple platforms in a fast-paced environment.

Athletics

SCAD Men's Tennis

Sept 2022 - May 2026

Student-Athlete

Dedicated 20+ hours weekly to training, travel, and competition while managing a full academic load. Completed a 20-match season, demonstrating elite time management and discipline. Maintained peak performance in a high-pressure collegiate environment.
